

ACS  
Chemistry for Life™

**Puget Sound Section of the American Chemical Society  
K-12 Grant Application**

---

**Award Value:** \$1,000 maximum

**Number of Awards:** 2 awards at \$500 each or 1 award at \$1000 each

**Deadline:** First-come, first-served. Applications are accepted until funds are spent for the year.

**Eligible Activities:** The following activities are considered eligible for grants.

- Supplies and equipment for high school students doing chemistry/science demonstrations at K-12 schools.
- Expenditures for selected chemistry/science journals and books, including safety and waste disposal texts.
- Supplies and equipment for K-12 teachers developing new experiments for the chemistry/science curriculum.
- Expenditures for K-12 teachers to attend chemistry/science courses, symposia or institutes. Preference will be given to teachers who are extending their range of competence.

**Eligibility Criteria / Restrictions / Other Requirements:** The following criteria and /or restrictions apply to the K-12 grant applications.

- The school and teacher must be within the section's geographic area
- Any school and or individual teacher is only eligible once every two years for a grant

**Selection Process:** The ACS –Puget Sound Section Education Committee will review proposals within 30 days of the application being received. Grants will be mailed within six weeks of the application being approved.

**ACS**  
Chemistry for Life™

**Application Materials:** To apply for a grant please submit a **one-page proposal**. Be concise, clearly describing your proposal and detailing how specific monies will be used, along with a corresponding timetable. If matching funds will be used to fund the proposal, please indicate this. Please note how many students will be served/impacted per year with use of these funds.

**Submission Process:**

A completed application form must be submitted via email to the Chair of the Education Committee at [educationcommittee@pugetsound.sites.acs.org](mailto:educationcommittee@pugetsound.sites.acs.org)
