Fireworks!!

Glorious in their brilliance, deafening when they burst, fireworks are certainly a bold statement of vitality and, of course, freedom! An internet search for fireworks chemistry will bring up several interesting videos that will give you some chemistry themed topics for your 4th of July festivities. I recommend using caution when setting off your own fireworks. It is far too often that we hear of people getting hurt because they were reckless or merely careless with their fireworks display. Fireworks are explosive in nature and careful, proper handling is necessary to avoid unintended injuries. Be safe out there!

July begins the core of our section's summer break. There will be a few events over the summer including the Younger Chemists Committee bike ride and wine tasting on July 17th 2014. All section members and their guests are invited to come! See the details on page 5. The Executive Committee does not meet again until September.

Andy Zweig has stepped down from the role of Chair Elect. Cheryl Bick was chosen by the Executive Committee to act as the Interim Chair Elect until the next election.

Cheers!

Jonathan Clark

Calendar – July 2014

Calendar of Events - <http://pugetsound.sites.acs.org/apps/calendar/>

1 July 2014 - Queen Anne Science Café

Time: 7:30 pm

Location: T.S. McHugh's - 21 Mercer Street, Seattle, WA 98109

8 July 2014 - Tacoma Science Café

Time: 6:30pm

Location: The Swiss Restaurant & Pub - 1904 Jefferson Avenue, Tacoma, WA 98402

July 2014 – No Executive Committee Meeting This Month – Summer Break

14 July 2014 - Eastside Science Café

Time: 7:00pm

Location: Wilde Rover - 111 Central Way, Kirkland, WA 98033

17 July 2014 – Younger Chemists Committee Bike Ride and Wine Tasting

Time: 11:00am – 1:00pm

Location: Park and Ride in Redmond at 11:00am and Winery at noon.

News Briefs

Summer is Here!

The Puget Sound Section takes a bit of a break during the summer. There will be a few events that will happen between now and September, but they will be fewer and farther between than during the September to June timeframe. Enjoy the break! Thank you everyone who has contributed to making this past year great for the section!

Andy's Departure

Andy Zweig has stepped down from the position of Chair Elect due to some work related changes that will not permit him to continue as an officer in our local section of the ACS. We heartily thank Andy for his contributions to the section! He has done wonders and moved mountains. We wish him the best in his future endeavors!

The Executive Committee has chosen Cheryl Bick to fill the role of Interim Chair Elect. In this role, Cheryl will fulfill all the duties of the Chair Elect position until the end of the regular term at which point an election shall be held to elect a new chair elect and a new chair. If Cheryl both chooses to run for the office of Chair at that time and wins in the election, she would then move onto the Chair position just the same as if she had originally been elected as Chair Elect.

WCCTA Conference

2014 Annual Meeting of the Washington College Chemistry Teachers' Association

October 9-11th 2014 at the Sleeping Lady Resort in Leavenworth, WA

The WCCTA brings together chemistry educators from around the state of Washington and some from Oregon. We share ideas about best practices in teaching chemistry, teaching pedagogy, innovative chemistry labs, and engage in conversations on topics relevant to our members in the beautifully relaxing atmosphere of the Sleeping Lady Conference Center. It is a great place to meet new colleagues, make friends, and network with community college and college chemistry faculty. Please plan to attend!

To register and submit abstracts, please visit: <http://www.wccta.org/>

To check out all of the conference info, visit: http://www.wccta.org/2014_Conference

Younger Chemists Committee

YCC Basics

We are a local section of the national Younger Chemists Committee. The Younger Chemists Committee was chartered by the American Chemical Society to address the specific needs of younger and early-career chemists. The YCC's vision is to lead younger chemists into successful careers and active roles in the ACS and the profession.

Email me (Jonathan Clark – PS YCC Chair) regarding any YCC activities at PugetSoundYCC@gmail.com.

YCC Bike Ride and Wine Tasting **Thursday, July 17th 2014 (10:00AM – 1:00PM)**

Meet at the Park & Ride (10:00AM)

Address: Northeast 83rd Street, Redmond, WA 98052

Bicycle ride along the Sammamish River Trail (10:15AM-11:00AM)

7.3km (4.5 miles) on flat pavement at an easy pace

Estimated to be a 45 minute long ride

Complementary Wine Tour and Tasting at Chateau Ste. Michelle Winery (11:00am-12:00pm)

Winery Info:

Website: <https://www.ste-michelle.com/>

Address: 14111 NE 145th St, Woodinville, WA 98072

Those under 21 years of age are welcome to come. All persons will be carded at the winery and those under 21 will not be served alcohol.

Feel free to skip the bike ride if you would like and meet us directly at the winery.

Tour and tasting will be about 35 minutes long.

Bicycle ride back along the Sammamish River Trail (12:00PM-12:45PM)

7.3km (4.5 miles) on flat pavement (Departing 1:00PM)

Estimated to be a 45 minute long ride

Notes, Reminders and Ideas

Open to all section members and their guests. RSVPs requested, but not required.

Bring your own helmet, H₂O, and dress for the weather. The bike ride will happen rain or shine.

Free Bike Use: Marymoor Park - about 2.7km (1.7 miles) from the Park and Ride

<http://www.kingcounty.gov/recreation/parks/inventory/marymoor/dasanibluebikes.aspx>

Science Cafés

These Science Cafés are free and are open to all ages.

Queen Anne Science Café

"Cybersecurity"

Tuesday, 1 July, 2014 - 7:30 p.m. - T.S. McHugh's

Dave Aucsmith, Ph.D., Microsoft

T.S. McHugh's is located at 21 Mercer Street, Seattle, WA 98109.

www.tsmchughs.com

Eastside Science Café

"Challenges and Progress in Renewable Energies"

Monday, 14 July, 2014 - 7 p.m. - Wilde Rover

Fundamental research in energy conversion from renewable sources has been on-going for several decades. In many cases, progress is often determined by limitations imposed by physics. At the July Eastside Science Café, join Intellectual Ventures' Fred Sharifi, Ph.D., to discuss why nature often makes advances in this sector very challenging.

Wilde Rover is located at 111 Central Way, Kirkland, WA 98033.

www.wilderover.com

Tacoma Science Café

"Health & Adolescent Social Media Use"

Tuesday, 8 July, 2014 - 6:30 p.m. - Swiss Restaurant & Pub

Megan Moreno, Ph.D., Seattle Children's Research Institute

The Swiss Restaurant & Pub is located at 1904 Jefferson Avenue, Tacoma, WA 98402.

www.theswisspub.com

Science on Tap

Science on Tap is another science café that meets in Seattle, WA. Information regarding the next Science on Tap event can be found on their website.

<http://www.scienceontap.org>

Reports

2014 Northwest Regional Meeting (NORM '14)

The 2014 NORM was hosted by the Montana Section of the American Chemical Society in Missoula, Montana from June 22nd to June 25th 2014.

Website: <http://norm2014.sites.acs.org/>

Awards Night

The 2014 awards night and banquet was well attended. The day was sunny. The jazz band was excellent. It was a lovely way to finish the first half of the year. The scholarship and award winners were announced. The winners gave short descriptions on themselves and listening to them tell their stories was a highlight of the event! First time visitors were impressed and loved listening to all that was said. All in all, a wonderful evening! Thank you everyone for making this event a success!

Careers

Job Opening – Evergreen State College

The Evergreen State College has a position opening for a chemist in their Evening-Weekend studies program for the 2014/15 academic year. The link to the job description is:

<http://evergreen.edu/facultyhiring/jobs/adjunctChemEWS14.htm>

Job Opening – Pacific Lutheran University

Pacific Lutheran University is seeking a Chemistry Lab manager. For more details see the posting at:

<https://employment.plu.edu/postings/2994>

Job Opening – Green River Community College

Green River Community College has an opening for a full-time, tenure track chemistry faculty position beginning Fall 2014. Primary teaching duties will be general and introductory chemistry. Initial screening of applicants began Apr 30th. Please spread the word to anyone who might be interested. The direct link to Jobs at the GRCC site is: <http://agency.governmentjobs.com/greenriveredu/default.cfm>
