

ACS PSS Meeting Notes – September 14th dinner meeting at the Snappy Dragon

The business portion of the dinner meeting, held September 14th at the Snappy Dragon, was abbreviated due to the presence of several guests. It was determined by members of the executive board at the time to have the event be more social in nature, and to table most of the business until the October meeting.

A few items were discussed:

1) Sarah Vorpahl was introduced as the new chair of the women chemist's committee.

Welcome Sarah!

2) The Pauling award date and location was announced. Barry Trost was selected as this year's recipient. The date is December 5th. More information will be forthcoming.

3) Elections for local section officers will be taking place in October-November. More info to follow.

4) A brief report was given about the Boston meeting.

5) Carole gave a very quick treasurer's report, and also clarified that we have not changed banks, the bank has changed names.
